Talks and tours at Calderglen

Calderglen Zoo Talk and Tour

We offer two different animal activities: an animal encounter or a feeding tour.

Animal encounter: involves the group getting to meet some animals such as snakes and lizards up close. The animal keeper will tell the group all about the animals. The animal encounter takes place inside the conservatory so weather does not affect it. Animal encounters and feeding tours are specifically for organised groups, nurseries and schools.

Suitable for ages 5+. 40–60 min. Weekdays only.
Minimum of 10, maximum of 30.

Feeding tour: involves the group getting to watch animals such as the coatis, meerkats, caracara, guinea pigs and rabbits being fed. The animal keeper feeding them will also tell the group all about the animals. The feeding tour takes place in the outside zoo area so groups should wear weather appropriate clothing.
Animal encounters and feeding tours are specifically for organised groups, nurseries and schools.

Suitable for ages 7+. 30–40 min. Weekdays only.
Minimum of 10, maximum of 25.

Costs

All talks and tours need to be booked in advance and have a one off payment which includes entry fees for all adults and children to the Conservatory and Zoo.
