Important - Please Note The Following Details:

- 1) Please check availability *at least* 28 days prior to hire date
- 2) One PP3 battery required for each radio mic. per show (*not supplied*)
- 3) Smoke/haze fluids *are* included
- 4) Our Radio mic. frequencies are:

Lapel type (clip-on) **175/ 855.9/ 854.9/ 860.9** (Mhz)
Hand-Held..... **864.42/ 863.84** (Mhz)

Please remember,

- a) **Two** technicians will be on duty when you book a “**technical rehearsal**”, to advise and assist with your fit-up.
- b) **One** technician (normally to operate the lighting desk) and **one** backstage technical supervisor are on duty for a performance. For cost of additional technical staff, please contact the theatre.
- c) **No** technician will be on duty when you book a “working-light” rehearsal.

It is the responsibility of all theatre-hirers to ensure that they provide sufficient and suitable staff to enable their event to be staged safely and effectively. Theatre technical staff will be happy to offer advice, if contacted at least 21 days prior to your booking. (Tel. 01355/268365)

Please ensure that you have booked sufficient “technical rehearsal” time to enable technical staff to set up any technical equipment being hired/used in your event!!
