# ACE - your pass to Arts, Culture and Exercise

Welcome to our new annual programme of ACE classes and courses for primary school aged and secondary school aged children. All of the ACE classes within this brochure can be accessed either on a pay as you go basis for each term or via the ACE membership scheme as outlined below.

This brochure covers all four main terms which take place in [East Kilbride](#) and surrounding areas. There are other brochures available for courses in other areas of South Lanarkshire i.e. [Clydesdale](#), [Hamilton](#) and [Rutherglen](#) area.

All our timetables are subject to change and to availability. Please check our website [www.sl-leisure.co.uk/ace-childrens-activities](http://www.sl-leisure.co.uk/ace-childrens-activities) for updated timetables listing any new or amended courses which may be added/changed throughout the year.

## ACE Membership Scheme

# A-Z Course descriptions – East Kilbride

## 3D Printer Fun and Robotics Club

Nurture children's stem skills by designing and coding their own robots with help from our 3dprinter and fun robotics classes.

## Acoustic Guitar (Beginner)

This course is run in partnership with The Lanarkshire Guitar and Mandolin Association. Young people learn introductions to techniques and notes, music theory, ensemble playing and musical expression.

## Acoustic Guitar (Improvers)

This course is run in partnership with The Lanarkshire Guitar and Mandolin Association. Young people take what they have already learned in the Improvers class and advance their skills to the fullest.

## After School Fun Activities/Clubs

A host of fun activities and clubs held in your local library. Ranging from Fantasy Football, Dinosaur Detectives, Superhero Academies, Movie Lover's, Puzzle and Games and Coding Clubs to Spyquest Clubs. Contact your local Library for details of the current club/activity.

## Animal April

Fun activities for you and your child with some of the animals.

## Art Attack

Painting, drawing, sculpting, crafts. Let's get creative and make something unique. All you need is your imagination.

## Arts and Crafts

This is a fun-filled arts course with everything from clay modelling, drawing and printmaking to painting with glitter! The course is designed to develop the creativity, skills and interests of young people aged 5-11 years in a broad range of visual art, craft and design activities.

## ASN Playzone

This is a supported environment where children with an additional support need have the chance to participate in a complete play experience by having the opportunity to take part in a variety of different play types.

**Any enquiries should be directed to:**  
David Crawford  
01698 476195 or [david.crawford2@southlanarkshireleisure.co.uk](mailto:david.crawford2@southlanarkshireleisure.co.uk)

## Athletics

Skill development activities in running jumping and throwing. For the older age group P6-7 they will work towards making the transition to the main clubs.

## Awesome Gamers

Join your friends playing a variety of board and computer games

## Badminton

These sessions will introduce and develop basic badminton skills through fun activity, skills practice and game play. Participants will develop their fitness, hand to eye co-ordination, agility and racquet skill.

## Basketball

These sessions will introduce and develop basic basketball skills through fun activity, skills practice and playing games. Participants will develop their fitness, hand to eye co-ordination, agility, throwing and catching skills.

## Bouncing Higher

This class is a new product which will improve the customer trampoline experience by assuring children are physically active throughout the whole session. By introducing core strength elements (through fun games) trampette and existing traditional trampoline element children will develop skills and ultimately strength to bounce higher.

## Camera Action – Animation

Toys, vegetables, anything can be brought to life with animation!

Think of Toy Story or CDDC's Ooglies. This animation workshop will show you how to make faces and extra bits and all you have to do is get some good ideas going with the other new animators. If you have a smallish (e.g. 10-15cm) toy you wish to animate, you can bring it along. You will also be shown how to create your own models.

## Camera Action – Film

Come along to work with your friends and our tutor to have fun making your own short film – scripting, shooting, editing and then adding animated titles and music – using our high definition camera for your final short film to show your friends and family! Participants can join up in any term and all films made will be released online at the end of each term.

## Coding Club

Coding is what makes games, websites and applications possible. The apps on your phone and the games on your console are all made with code. Coding club is for those who want to make their own games and other cool fun stuff. You don't need to be a computer expert, if you know how to use a mouse and a keyboard and can read that's all you need.

## Children's General Art

The course is designed for children who want to learn more in depth about drawing techniques and painting. They are encouraged to expand their potential and imagination.

## Chilling Critters

The animal keepers will show you some animals, and tell you why they are not as scary as they first appear.

## Craft Club

Fun sessions making crafts from a variety of different materials.

## Dance

A fun session focussing on basic dance technique and movement, developing skills and building routines.

## Disability Boccia

Boccia is a fun ball sport with some similarities to bowls. Designed for people with a disability, but able to be enjoyed by all, it helps to improve coordination, aim and throwing skills.

## Drama

Drama classes for children offering tuition with fun including improvisation, voice production and stage direction. Participation in drama helps develop children's self confidence, socialising skills, creativity and imagination.

## Drum Kit

Want to play drums? Whether you are a beginner or just want to develop your playing further – this course is taught in small, friendly and relaxed groups – and its great fun! Once you've got the basics – it's up to you what direction you take it in, you can learn to play several different styles or simply focus on your favourites. Rock, Pop, Jazz, Funk, Latin – these are just a few of the styles we teach... there's something for everyone here – a double kick pedal for when you're hot – jazz brushes for when you are cool!

## Duathlon

Developing skills within the 2 disciplines (run, cycle) bike safety and transition skills. Fun based sessions along with all the fitness benefits. Note: All participants must bring their own bike and safety hat. Parents must ensure the bike is safe to use by their child.

## Dinosaur Explorers

Fun sessions learning about all the different dinosaurs who roamed the earth and why they're now extinct.

## Fantasy Booklands

Spend some time in the lands of your best loved books .Take part in crafts and activities related to narnia, hogwarts, oz to name a few...

## Floating Fun Sessions

Large floats are available to be played with in the water for friends and family to enjoy using.

## Explorers Club

Calling all globe trotters and adventurers to join us for fun sessions where we'll learn about other countries. Try their food, make a craft, learn a new language and play some games.

## Fitness

A multi activity session that provides the children with the opportunity to try different activities in a fun, safe environment, including cardio, strength and flexibility.

## Football

These structured football sessions will include a warm up, skill development practices, and small sided games to develop the participants overall technical ability. This is also an ideal opportunity for players keen to get involved in a team sport and help them progress to/or with their school or local community football team.

## Games

This activity introduces and strengthens the fundamental skills required for all sports; it concentrates on movement, hand eye co-ordination, striking and racquet skills. It is a fun activity that incorporates modified games.

## Games Club

Come along and have fun playing the games you love. Learn new games, meet new people and make new friends.

## Gymnastics

This session will develop gymnastics skills incorporating floor work and apparatus. There will be a term based approach to delivery. Term 1 will be Scottish gymnastics badge work, Term 2 will be competition and term 3 will be display.

## Inflatable Fun Sessions

The twin track inflatable is suitable for under 16s that can competently swim a minimum of 25 meters.

## Kind Kids Club

In a world where some people couldn't care less, let's be the people who couldn't care more. Let's learn how to be kind.

## Keyboards

This course covers all the basics, so you can learn to play completely from scratch! Everything from posture, playing height and preparation to stave and structure is covered in a relevant and relaxed atmosphere. On completion, you will be able to read and play music from at least one stave; have a firm grasp on basic theory and good all round understanding of how to play the 'keys'!

## Lego Club

Fun sessions to develop your child's fine motor skills, numeracy and literacy skills as they create imaginative stories using Lego.

## Lego Movie Makers Club

Sessions using Lego and tablets to encourage creative play and storytelling.

## Mandolin (Improvers)

An established group of mixed ability.

## Minecraft

Explore, create and craft anything using Minecraft software. Encourages confidence building and social skills.

## Netball

The sessions will concentrate on the skills required for netball. Using Netball Scotland's Fun5z structure this will allow us to take into account the age, maturity and skill level of the young players, ensuring each individual learns through a fun and enjoyable environment. This is an ideal starting point for our young players, helping them progress to/ or with their school teams and eventually junior clubs.

## Pottery

Courses in pottery offer a chance to learn basic hand building techniques, coiling, pinching, slab building and encourages children's imagination to the fullest!

## Children's Activities – Booking Terms and Conditions and Fair use rules

- All courses, classes and sessions must be pre-booked and paid in full (unless stated otherwise) prior to the commencement of each course, class or session.
- Reduced rates are available for holders of a current SLLC 'Leisure for all' concession card. Please ensure your concession card is valid to beyond the start date of your chosen activity at the time of booking. Further information on eligibility can be found on the website or by calling 01698 476262.
- Payments cannot be refunded except in circumstances where the course, class or session has been cancelled.
- If you fail to attend 2 weeks or more consecutively without notifying the site directly then your booking will be cancelled and you will be not be automatically re enrolled onto the following course
- If you fail to give 4 hours notice of cancellation or do not turn up for a pre-booked ACE class, you will not receive a refund for the lost booking. ACE members will be charged a £2.00 cancellation fee.
- SLLC reserve the right to cancel/alter/relocate sessions without notice and will run subject to minimum numbers. In the event of an activity being cancelled we will take reasonable steps to notify participants. SLLC will not be held responsible for any travel, accommodation or other ancillary costs incurred by the participant.
- Class Usage – To ensure your child/children have an enjoyable experience of their ACE class/activity they may only attend classes which are at an appropriate level for their age and or skill/ability level.
- Where participation is dependent on skill/ability levels, SLLC staff will provide advice and guidance on the most suitable class/activity for your child/children.
- Participants agree to abide by SLLC's Management Rules at all times. These are available to customers on request and/or are displayed within facilities and venues.
- SLLC cannot be held responsible for injury or loss of belongings sustained whilst participating in any course or session.
- The unauthorised use of photographic and/or recording equipment is strictly prohibited.

## Fair use rules

- Participants are not permitted to attend consecutive classes in the same activity for example, attend 2 consecutive gymnastic classes, however they are permitted to attend consecutive classes in different activities e.g. attend a guitar class followed by a drama class.
- To ensure children receive the best experience from their ACE membership, SLLC encourages parents to, where possible, not book children into multiple activities in the one day.

## Medical Information

- Please provide details of any medical conditions that we would need to be aware of. Providing this information enables SLLC to provide the best service and/or adapt classes to support the needs of the child/children.
- Customers returning through auto re-enrolment should inform reception staff of any changes to personal details including medical information to ensure records are kept up to date.

If you need this information in another language or format, please contact us to discuss how we can best meet your needs.
