2. Pouch. Using the previous week's panel we will make a small pouch with zip.
3. Appliqué. This week we will make an appliqué flower panel.
4. Hand embroidery. This week we will cover some textured hand stitches = Palestrina knots, Turkey knots, Scroll stitch and Stem stitch.
5. Free machine embroidery. This week we will do some free machining and produce a textile brooch.
6. Boro. This week we will make a piece of 'Boro' hand stitched fabric – a Japanese mending technique.

*Materials required:*

- 2 colours of fabrics and a backing of cotton and felt/batting, pins and tape
- The woven panel, a 20cm zip and a piece of fabric for lining. You will also need a ruler and card to make the pattern.
- 2 colours of fabric, 2 colours of thread, bondaweb, a piece of white fabric, white and black thread and a piece of white felt. Also some paper for the pattern and a ruler.
- An embroidery hoop, some colours of perle cotton or embroidery floss, crewel needle and cotton.
- Practice fabric, open toe machine foot, small pieces of felt, velvet, a little felting wool,

colours of thread, brooch back and some beads.

- Some scraps of fabric in blues and neutrals preferably, a backing of cotton and some white embroidery floss.

### Adult Pottery *Claire-Louise McLauchlan*

I'm going to show you how to make practical and functional ceramic pieces for your home and garden using basic hand building techniques with little equipment needed. We will be making kitchen ware such as a cheese board and butter dish set and a Moroccan style tagine for cooking. I will also show you how to make a jewellery box and decorative bottle and for the garden a wall hanging bird bath or sconce and a gnome.

#### *Materials required:*

Basic tool pack would consist of –
