

U18's non-contact training at SLLC facilities

Following the First Minister's update on 23 February 2021, and the implementation of extended Level 4 'Stay at Home' restrictions, guidance has been issued permitting non-contact training by Under 18s from Scottish FA registered clubs and organisations for a single 45-minute session per week. With this we would like to remind you of some of the guidance and ask you to agree to the conditions.

- Children and coaches should avoid any unnecessary travel
- All activity must be organised within your own Local Authority area
- All activity must take place outdoors
- All activity must be non-contact and any activity must ensure physical distancing is in place at all times before, during and after activity takes place
- It is recommended that activity is limited to once a week and for a maximum of 45 minutes
- All group activity must consist of a maximum of 15 players and 2 appropriate PVG officials maximum (the 2 PVG officials must contain a COVID Officer, First Aider, and an appropriately qualified coach) per 1/3 of a pitch
- Parents/carers are reminded that spectating is not permitted at any time and **must not** congregate around the perimeter of the pitches. All parents/carers should return to their vehicles until the end of the session
- At no stage should groups mix and all groups should follow the one way systems in operation
- Please ensure that hygiene measures are implemented at all times
- Toilet facilities are only for the use of coaches and players. No parents/carers will be permitted into the facility

You, as the team contact, must agree to all of the above conditions and ensure they are adhered to. If your team does not follow these rules, any future bookings within the current Tier 4 restrictions will be cancelled. In order that your bookings take place you are required to accept these conditions by ticking the box below:

I agree to the conditions above and understand that if there is any breach of these rules, any future bookings during this current period of restrictions will be cancelled.
