1. I'm gonna fight 'em off,
hear about it,
Wichita,

a seven nation army couldn't hold me back.
They're gonna
every single one's got a story to tell.

Every one

far from this opera for ever more.
I'm gonna

rip it off,
knows about it
work the straw,

taking their time right behind my back.

And I'm talking to myself at night because I can't forget.

And if I catch it coming back my way I'm gonna serve it to you.

And I'm bleeding, and I'm bleeding, and I'm bleeding right before the Lord.

Back and forth through my mind.
And that ain't what you want to hear.
All the words are gonna bleed from me.

Behind a cigarette,
but that's what I'll do.
and I will think no more.
