

Request to have a web page filtered or unfiltered

South Lanarkshire Leisure and Culture's Libraries offer internet access which is subject to filtering based on standard policies. Should you wish to view a page which is filtered, or consider that a page is unsuitable for viewing in the library and ought to be filtered, you may complete and submit the form below.

Requests for filtering or unfiltering are assessed individually and no guarantee can be given that your request will result in the page being filtered or unfiltered.

Please complete this form. It is particularly important that you provide the full URL of the relevant page. In the case of a request to have a site unfiltered the URL can be found on the filter splash page which appears on the screen (look underneath the hedgehog image).
