## Section 1: Introduction

The Freedom of Information (Scotland) Act 2002 (the Act) requires Scottish public authorities to adopt and maintain a publication scheme which has the approval of the Scottish Information Commissioner, and publish information in accordance with that scheme. The publication scheme must:

- publish the classes of information that the authority makes routinely available
- tell the public how to access the information and whether information is available free of charge or on payment.

South Lanarkshire Leisure and Culture has been designated as a Scottish Public Authority by an order made under section 5 of the Act, known as the Freedom of Information (Scotland) Act 2002 (Designation of Persons as Scottish Public Authorities) Order 2013.

South Lanarkshire Leisure and Culture has adopted the [Model Publication Scheme](#) (updated November 2018) which has been produced and approved by the Scottish Information Commissioner.

You can see this scheme on our website at [www.slleisureandculture.co.uk](http://www.slleisureandculture.co.uk). It is also available on the Scottish Information Commissioner's website at [www.itspublicknowledge.info/MPS](http://www.itspublicknowledge.info/MPS)

You can also contact us at the address below if you prefer a copy of the Model Publication Scheme 2017, or this Guide to Information, to be provided in a different format. The purpose of the Guide to Information is to:

- allow the public to see what information is available (and what is not available) for South Lanarkshire Leisure and Culture in relation to each class in the Model Publication Scheme (updated November 2018)
- state what charges may be applied
- explain how to find the information easily
- provide contact details for enquiries and to get help with access to the information
- explain how to request information that has not been published.

Alongside the Act, the Environmental Information (Scotland) Regulations 2004 (the EIRs) provide a separate right of access to the environmental information that we hold. This guide to information also contains details of the environmental information that we routinely make available.

## **Section 2: About South Lanarkshire Leisure and Culture**

South Lanarkshire Leisure and Culture Ltd (SLLC) is a company limited by guarantee. It was formed on 1 October 2010 when much of South Lanarkshire Councils (SLC) cultural services, libraries and facilities were transferred to the Leisure Trust which had previously been formed in April 2002 to operate Sports and Recreation Services on behalf of the Council. The Outdoor Resource Base (ORB) was also transferred into the new company at the same time.

### *Charitable Objectives*

SLLC's main aim is to provide facilities for recreation, sport and cultural pursuits which are of maximum benefit to the community and in so doing ensure this provision is truly inclusive.

### *What do we do?*

South Lanarkshire Leisure and Culture Ltd (the Trust) is responsible for the operation, management and development of indoor and outdoor sport and leisure facilities, community halls, arts venues, country parks, libraries and museums throughout South Lanarkshire. The business has been split into five service areas (Cultural Services, Libraries & Museums, Outdoor Recreation & Country Parks, Sport & Physical Activity and central support).

South Lanarkshire Leisure and Culture Ltd is a recognised Scottish Charity, No. SCO32549, regulated by the Office of the Scottish Charity Regulator (OSCR) and the Companies Act (2006).

## **Section 3: Accessing Information under the Scheme**

***Exempt information***

We will publish all the information we hold that falls within the classes of information in Section 10. If a document contains information that is exempt under Scotland’s freedom of information laws (for example sensitive personal information or a trade secret), we will remove or redact (black out) the information before publication and explain why.

**Section 4: Information that we may withhold**

All information covered by our Guide to Information can either be accessed through our website, or will be provided promptly following our receipt of your request.

Our aim in adopting the Commissioner’s Model Publication Scheme 2017 and in maintaining this Guide to Information is to be as open as possible. You should note, however, that there may be limited circumstances where information will be withheld from one of the classes of information listed in “Section 10 – Classes of Information”. Information will only be withheld, however, where the Act (or, in the case of environmental information, the EIRs) expressly permits it.

Information may be withheld, for example, where its disclosure would breach the law of confidentiality, harm an organisation’s commercial interests, or endanger the protection of the environment.

Information may also be withheld if it is another person’s personal information, and its release would breach the data protection legislation. Whenever information is withheld we will inform you of this, and will set out why that information cannot be released. Even where information is withheld it will, in many cases, be possible to provide copies with the withheld information edited out. If you wish to complain about any information which has been withheld from you, please refer to “Section 8 – Contact details for enquiries, feedback and complaints”.

## Section 5: Our Charging Policy

Unless otherwise stated in “Section 10 – Classes of Information”, all information contained within our scheme is available from us free of charge where it can be downloaded from our website or where it can be sent to you electronically by email.

We reserve the right to impose charges for providing information in paper copy or on computer disc. Charges will reflect the actual costs to South Lanarkshire Leisure and Culture of supplying the information to you, e.g. photocopying and postage, as set out below.

In the event that a charge is to be levied, you will be advised of the charge and how it has been calculated. Information will not be provided to you until payment has been received. There is no charge to view information on our website or at our premises.

### Reproduction Charges

We may charge for providing information to you e.g. photocopying and postage, but we will charge you no more than it actually costs us to do so. We will always tell you what the cost is before providing the information to you.

We do not pass on any other costs to you in relation to our published information.

## **Section 6: Our Copyright Policy**

Where South Lanarkshire Leisure and Culture holds the copyright in its published information, the information may be copied or reproduced without formal permission, provided that:

- it is copied or reproduced accurately
- it is not used in a misleading context, and
- the source of the material is identified.

Where South Lanarkshire Leisure and Culture does not hold copyright in information we publish, we will make this clear.

## **Section 7: Records Management Policy**

South Lanarkshire Leisure and Culture regards its records as a major asset of the Company. It confirms that its records are one of the essential resources which support management in the efficient and effective fulfilment of its governance, business and legal responsibilities. South Lanarkshire Leisure and Culture Records Management Policy can be found in “Section 10 Classes of Information” - Class 5.

## **Section 8: Contact details for enquiries, feedback and complaints**

The Act requires that we review our publication scheme from time to time. As we have adopted the Model Publication Scheme 2017, this means we will review our Guide to Information from time to time. As a result, we welcome feedback on how we can develop our Guide further. If you would like to comment on any aspect of this Guide to Information, then please contact us.

You may, for example wish to tell us about:

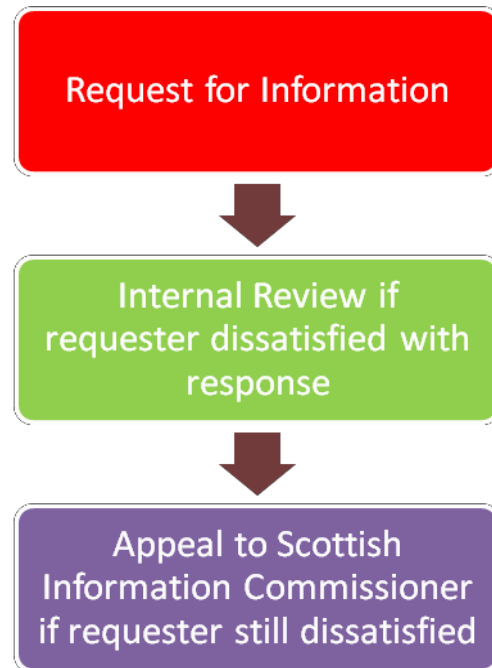

- other information that you would like to see included in the guide
- whether you found the guide easy to use
- whether you found the guide to information useful
- whether our staff were helpful
- other ways in which our guide to information can be improved.

Our aim is to make our Guide to Information as user-friendly as possible, and we hope that you can access all the information we publish with ease. If you do wish to complain about any aspect of the Guide then please contact us. We will try and resolve your complaint as quickly as possible and will respond in full within twenty working days. You have legal rights to access information under the Model Publication Scheme 2017 (as described in this Guide to Information) and a right of appeal to the Scottish Information Commissioner if you are dissatisfied with our response. These rights apply only to information requests made in writing<sup>1</sup> or another recordable format. If you are unhappy with our responses to your request you can ask us to review it and if you are still unhappy, you can make an appeal to the Scottish Information Commissioner.

### **Section 9: How to Access Information which is not available in the Guide to Information**

If the information you are seeking is not available via the Model Publication Scheme 2017 (as described in this Guide) then you may wish to request it from us. The Act provides you with a right of access to the information we hold, subject to certain exemptions. The EIRs separately provide a right of access to the environmental information we hold, while the Data Protection Act 1998 (DPA) provides a right of access to any personal information about you that we hold.

Again, these rights are subject to certain exceptions or exemptions. Should you wish to request a copy of any information that we hold that is not available under the Model Publication Scheme 2017 (and described in this Guide), please write to:

### **Charges for information which is not available under the scheme:**

The charges for information which is available under South Lanarkshire Leisure and Culture Guide to Information are set out under “Section 5 – Our Charging Policy”. If you submit a request to us for information which is not available in this Guide the charges will be based on the following calculations:  
General information requests:

- There will be no charge for information requests which cost us £100 or less to process.
- Where information costs between £100 and £600 to provide you may be asked to pay 10% of the cost. That is, if you were to ask for information that cost us £600 to provide, you would be asked to pay £50 calculated on the basis of a waiver for the first £100 and 10% of the remaining £500.
- We are not obliged to respond to requests which will cost us over £600 to process.
- In calculating any fee, staff time will be calculated at actual cost per staff member hourly salary rate to a maximum of £15 per person per hour.
- We do not charge for the time to determine whether we hold the information requested, nor for the time it takes to decide whether the information can be released. Charges may be made for locating, retrieving and providing information to you.
- In the event that we decide to impose a charge we will issue you with notification of the charge (a fees notice) and how it has been calculated. You will have three months from the date of issue of the fees notice in which to decide whether to pay the charge. The information will be provided to you on payment of the charge. If you decide not to proceed with the request there will be no charge to you.

### **Charges for environmental information:**

Environmental information is provided under the EIRs rather than the Act. The rules for charging for environmental information are slightly different. We do not charge for the time to determine whether we hold the environmental information requested, or deciding whether the information can be released. Charges may be made for locating, retrieving and providing information to you e.g. photocopying and postage. In the event that we decide to impose a charge we will issue you with notification of the charge and how it has been calculated. The information will be provided to you on payment of the

charge. If you decide not to proceed with the request there will be no charge to you. Charges are calculated on the basis of the actual cost to South Lanarkshire Leisure and Culture of providing the information.

- Photocopying is charged at 10p per A4 sheet for black and white copying, 20p per A4 sheet for colour copying.
- Postage is charged at actual rate for Royal Mail First Class.
- Staff time is calculated at actual cost per staff member hourly salary rate to a maximum of £15 per person per hour.

The first £100 worth of information will be provided to you without charge. Where information costs between £100 and £600 to provide, you will be asked to pay 10% of the cost. That is, if you were to ask for information that cost us £600 to provide, you would be asked to pay £50, calculated on the basis of a waiver for the first £100 and 10% of the remaining £500. Where it would cost more than £600 to provide the information to you, however, we will ask you to pay the full cost of providing the information, with no waiver for any portion of the cost.

#### **Charge for request for your own personal data:**

There is no longer a fee for a Subject Access Request (SAR). However if the SAR is manifestly unfounded or excessive a reasonable fee can be charged to cover administration costs.
